dated 7.9.1953.

From

Revenue Divisional Officer,
Hospet.

To
The Collector,
Bellary.

sir,

sub: ELECTORAL ROLLS- Madras Legislative Council-
Annual Revision, 1953- Electoral Rolls of
certain constituencies- Revision suspended-
clarification- Instructions- requested.

(M) Ref: Government office Memorandum No.3972/53-5
dated 3.9.1953.

1. In their memo cited Government have issued instructions that in the new Andhra State to be formed on 1.10.53- there will be no Legislative Council and that the following constituencies of the Madras Legislative Council will cease to exist with effect from that date.

- A
- (1) Madras North (Graduates') Constituency.
 - (2) Madras North (Teachers') Constituency.
 - (3) Ceded District (Local Authorities) Constituency.

2. It is presumed that the instructions contained in the Government memo relate to only Telugu areas which will be in Andhra State and that they do not relate to this division which consists of Kannada Taluks. I presume that the further proceedings in respect of the above constituencies have to be proceeded with in this division.

3. As regards Madras North (Graduates) and Maras North (Teachers) Constituencies, the Government have said that the final publication has been made by the Electoral Registration Officer. The intimation of statutory final publication of the rolls has not yet been received from the Electoral Registration Officer and Personal Assistant to Collector, Madras. He has been reminded separately.

4. As regards Ceded District (Local Authority) Constituency the programme for hearing of claims and objections has been drawn up from 12.9.53 to 15.9.53 at different centres by me as Revising Authority.

5. I presume that I can proceed with the further proceedings in respect of the above three constituencies as the instructions of the Government memo do not relate to this division. I request to be informed if my above presumptions are correct. As I have programmed to hear claims and objections from 12th instant, I solicit urgent instructions in the matter.

kvs 8.9.53.

Copy submitted to the Deputy Secretary to Government, Public (Elections) Department, soliciting early instructions.

Please see the copy of the letter from the R.D.O., Hospet addressed to the Collector of Bellary in the c.f. The R.D.O. presumes that the instructions contained in Memo. No.3972/53-5, dated 3-9-1953 do not apply to his division which consists of Kannada taluks and desires to know whether further proceedings in respect of the ^{preparation of the rolls of the} M.L.C. constituencies of his division may be continued.

The R.D.O.'s presumption is not correct. The instructions in the Memo. at (M) apply to the entire area in the three constituencies mentioned at A on p.1 c.f. - whether Telugu or Kannada - please see in this connection the orders in circulation on pp.5-6 n.f. in the L.F. The R.D.O., Hospet may be asked not to proceed with the ^{any further action in regard} preparation of the electoral rolls of the three constituencies in any manner. A draft telegram is submitted for approval.
